

RIMANTAS BUIVYDAS

PROFESSIONAL SUMMARY

Cybersecurity enthusiast who is passionate about safeguarding digital landscapes. Equipped with a strong foundation in threat analysis, network security, and incident response. I am eager to launch my career in a dynamic cybersecurity role. Also, I am a proactive learner with hands-on experience with Linux, Python, SQL, Java. I am currently seeking opportunities to contribute, grow, and make an impact in the cybersecurity space.

EXPERIENCE

Junkyard Golf Club, Shoreditch, Nov 2024 – March 2025

Role: Bartender

- Quickly adapted to fast-paced environment in a busy period, ensuring smooth operations on the bar and POS systems.
- Maintained clear communication with management team
- Handled large volumes of guests whilst ensuring consistency and accuracy of workmanship

Be At One, Monument, Jun 2023 – Oct 2024

Role: Bartender

- Managed extreme situations, de-escalating any conflicts, and ensuring a safe environment for guests
- Processed guests payments, safeguarding their sensitive information whilst adhering to Data Protection Protocols.
- Verified guests IDs and monitored intoxication levels

EDUCATION

Bachelor of Science (Honours), Feb 2023 – Jan 2026

Cybersecurity

University of West London – Predicted Grade: 1st Class

- Created an RSA encryption/decryption program using Python
- Cyber Threat Analysis, using honeypots such as T-Pot 20.06 on an AWS cloud instance
- Cisco Packet Tracer to simulate network traffic and use Wireshark to gather packet information

A-Levels, Sept 2018 – Aug 2020

Mathematics, Physics, Graphics

Havering Sixth Form College

- Grades: A, A, D (in order)
